ECCELLENZA 2023-27

Prof. Dr. Chanchai Boonla

Chulalongkorn University, Department of Biochemistry, Faculty of Medicine, (Bangkok, Thailand) - Email: chanchai.b@chula.ac.th

Wednesday July 2, 2025

2:30 pm

Aula D4 (Enrica Calabresi) - CAMPUS SESTO
& online:

<https://meet.google.com/myh-ucsq-ain>

will present the lecture

**Protein-based nanoparticles as drug delivery system
for targeted cancer therapy: *In vitro* evidence**

organised in the context of the
PhD Program in Chemical Sciences

You are kindly invited to participate

Prof.ssa Anna Maria Papini
Coordinator of the PhD
in Chemical Sciences

Prof. Marco Marradi
Organizer

Funding from the European Union's Horizon 2020 research and innovation programme under the Marie Skłodowska-Curie Grant Agreement N° 101008072 (H2020-MSCA-RISE-2020 SUPRO-GEN - Supramolecular Polyamine Gene Vectors for Cancer Therapy) is gratefully acknowledged
