

CURRICUL VITAE *Itzel Guerrero Ríos*

Full Professor, Department of Inorganic Chemistry, Faculty of Chemistry, Universidad Nacional Autónoma de México (UNAM)

ResearcherID: A-6136-2012 **Email:** itzelgr@unam.mx

Academic Background

- **PhD in Chemical Sciences**, Università degli Studi di Firenze, Italy (2007)
- **BSc in Chemistry**, UNAM, Mexico (2003)

Research Interests

Sustainable catalysis; homogeneous and heterogeneous catalysis; metal nanoparticles; CO₂ capture and transformation; biomass valorization; hybrid and functional materials; ionic liquids; mechanistic studies of catalytic active species.
